A missionary people led by the Missionary God:

in INTEGRITY

Missional Church: KINGDOM centred

The Church:

- Becomes a rain shelter
- Building ceases to be the focus. Mission defines the building not us!
- Is functional to fulfil its mission

We:

- Become cross cultural missionaries
- Fulfil the great commission
- Learn to serve where we are
- Value what we do outside the church
- Adopt a missionary mind-set

Sunday:

- Celebration of what God is doing and sharing stories together
- Becomes boot camp for missionaries! A springboard for the week
- Uses its worship and teaching to equip for works of service

The community:

- Hears, sees and becomes involved with the Kingdom
