

The coming of God's Kingdom

Through the work of Oasis...

Oasis Ethos:

In Oasis we are Christ-centred; inspired by the life, message and example of Jesus Christ through whom God's unconditional love for all people is expressed. We are called to love God, and love others as we love ourselves. We therefore seek to work together to extend Jesus' model of the Kingdom of God on earth by living out a lifestyle according to this inspiration.

Oasis Vision:

Our vision is for community - a place where everyone is included, making a contribution and reaching their God-given potential.

Outcomes :

1. Local communities that are characterised by high levels of trust, safety, cohesion, mutual support, vibrancy, health and opportunity, and have increasing capacity to address their own issues.
2. People who are excluded from community brought back into community and finding wholeness and fullness of life.
3. The replication of models that effectively contribute to community transformation or bring the excluded into community.
